

ENERGY EVOLUTION SUMMIT

POWERED BY **SEPA**

2026 SPONSORSHIP OPPORTUNITIES

WASHINGTON, D.C. | J.W. MARRIOTT MAY 18 - MAY 20

As an EES sponsor, engage top decision-makers at an invite-only event, elevate your brand among the energy industry's leading executives, and be recognized as a leader shaping the future of energy.

Why Sponsor the Energy Evolution Summit?

Energy Evolution Summit (EES) is the only forum where the full energy ecosystem comes together to share ideas that solve problems, shape policy, and secure the future of the power sector. EES convenes utility executives, regulators, consumer advocates, and tech innovators—sparking the lightbulb moments that move us all forward.

As a sponsor, you will have the unique opportunity to engage directly with top decision-makers, gaining unparalleled access to strategic conversations that drive real-world solutions. You also can maximize brand awareness among the energy industry's top leaders. As a 2026 EES Sponsor, you'll be positioned as a key partner in shaping the future of energy.
